CALYPSO 27

Designed with purpose and style, the Calypso 27 offers ample space for entertaining and all essential amenities. Starting with our exclusive and innovative hull design - the tumblehome transom and signature flared bow provide a legendary ride.

The bow features comfortable seats with folding armrests, JL Audio speakers and USB charging ports to complete this well-appointed space.

While comfortably seated at the helm, the flush mounted 12" Garmin display is right at your fingertips. The captain's chair puts you in control behind a beautiful high-gloss mahogany steering wheel and curved glass and stainless-steel windshield. Mercury Smartcraft Premier Controls are standard with a digital display integrated into the control base. The unique wave pattern stitching on the double wide helm seat is complemented by a thick stainless-steel bar, and a thigh bolster brings added height and visibility.

Aft seating runs along the transom with additional flip-out seating to port. The 4-position lounge can lay flat or convert to aft or forward-facing seating. Entertain with the cockpit galley equipped with a cold-water sink, a large integrated trash can, and a pull out Yeti cooler with SofTeak pad.

An extended swim platform transom with an under-mounted ladder and a starboard side boarding door both come standard aboard the Calypso 27, giving easy access to the water and dock. Also included is an insulated compartment integrated into the port side of the transom which can be fitted with water pumps and drainage to serve as a live well.

Beautiful styling, convertible social seating, and refined craftsmanship are exemplified in the Calypso 27.

LENGTH 27'10" / 8.48 m
BEAM 9'1" / 2.77 m

DRY WEIGHT 8,428 lbs / 3,823 kg
FUEL CAPACITY 160 gal / 606 ltr

THE CHOICE IS YOURS.

Customization is endless aboard the Calypso 27.

Add to the iconic beauty of your Chris-Craft by selecting the Heritage Edition, which includes teak accents throughout, teak covering boards plus a full teak floor.

Some popular upgrades aboard the Calypso 27 consist of a molded fiberglass hard top, bow thruster, custom painted outboard engines, Mediterranean bow sunshade, a remote-controlled windlass, and a premium sound system. With unlimited possibilities, the Calypso 27 is tailor-made to perfection.
